**GRADES 3 to 6: *Yasou!* A fun introduction to Modern Greek language & culture BB1**

Any foreign language is a great asset for young Australians. In particular, Greek has several extra advantages as it can assist understanding our own English language as 25% of our English vocabulary is of Greek origin. In this unit we will investigate the Greek alphabet, English words of Greek origin and also ways to best communicate using the Greek language. We will enjoy Greek music, songs, poetry and literature. We will explore Greece's rich history and breathless geographical landscapes. Students will also have the opportunity to cook up a storm and learn about the food my "Yaya" (Grandmother) taught me!!
