GRADE 3 to 6 Make Scrapbooking a Part of Your Life

BO1

Create a Memory Album allowing the story behind the photos to be told. Memory albums are beautiful. They showcase imagination and reflect the creator's unique style. Scrapbooks are to be enjoyed and shared now and will long be treasured by future generations. This scrapbooking program invites the learner to be involved in investigating, designing, producing, analysing and evaluating. Participants will actively use tools and materials safely and creatively to produce an aesthetic and quality product.

GRADE 4to 6 Calling all aspiring artists!!!!

BO2

Fancy yourself the next Picasso? Or maybe the next cartoonist Luenig? Enjoy exhibiting your creative flair? Or perhaps you would like to improve or expand your repertoire of visual art skills? During this series of creative workshops you will explore a variety of techniques employed by master artists and illustrators. Each workshop will have a theme or focus artist/illustrator to inspire. Well known children's literature will delight and demonstrate that a single picture can portray a thousand words! Sketching, caricature, team portraits AND so much more!!

WEDNESDAYS 4:15-5:30pm
August 3rd, 10th, 17th, 24th, 31st

GRADE 2 to 4 Become a Junior Environmental Scientist

BO3

If you love learning about nature, making discoveries and sharing your knowledge with others, come along to explore our local biodiversity. Learn how to identify animals using mobile technology and upload your results to become a 'citizen scientist'. Learn about habitats and the animals that live on our Mornington Peninsula. Search for minibeasts and have a close-up look at them under the digital microscope.

THURSDAYS 4:15-5:30pm
August 4th, 11th, 18th, 25th & 1st September

GRADE 3 to 6 African Drumming

BO4

Learn to play African rhythms on the Djembe. During the five sessions we will learn various patterns that we will perform on the final evening for your family. The Djembe is a traditional West African drum played with bare hands. These rhythms sound fantastic when performed by a group. No experience is necessary and all drums are supplied each session.
