Allambi Avenue, West Rosebud

**THURSDAYS 4:15 - 5:30**  
**August 11<sup>th</sup>, 18<sup>th</sup>, 25<sup>th</sup> &**  
**September 1<sup>st</sup>, 8<sup>th</sup>**

Mel Ref: 169 K5

**GRADE 1 - 3 Walk Like An Egyptian**

**E1**

Where did the ancient Egyptians live? What did they build? How did they communicate? In this unit students will explore the ancient civilisations of Egypt through a variety of hands on activities.

**GRADE 4 - 6 : Game Maker-Making Computer Games**

**E2**

Instead of just playing computer games, why not learn how to make your own games. Using Game Maker you will learn how to program a computer to make your own kind of games. You can make Maze games with different levels and features or maybe a Breakout game, perhaps even a Pacman style game. Add your own music, backgrounds and scoring systems. You will receive a copy of Game Maker for your home computer as well as lots of resources (sounds, backgrounds, sprites) and notes so that you can make games at home if you wish. Make your own games and share them with your friends, maybe even ask your teacher to put them on your school network.
