You will gain experience with a variety of procedures for using computer paint tools and develop publishing skills. Programs used include, Microsoft Word, Powerpoint, Excel, Animation, Image editing, Intel Play Microscope and Microsoft-Movie Maker. **Sound IT skills for participates essential.**

GRADE 2 & 3 Young Writer's Fairytale Fantasy Workshop O3

Sharpen your pencil!! Delve into your imagination!!

Come and join a group of budding "authors" who like you enjoy the craft of writing. An opportunity for students to develop their writing skills when exposed to a variety of writing styles and genres using fairytales as a theme. The development of expressive language and innovative ideas will be a focus throughout these five sessions. Students will compile a mini writing folio during the course, which they will be sure to enjoy sharing with family and friends.

GRADES 5 & 6 Forensic Science Workshop O4

Calling all crime scene investigators!!

Do you enjoy solving puzzles and mysteries? Have you ever wondered how science plays a role in solving crimes? Then this workshop is for you. Join other young scientists in a crime scene investigation and learn how different scientific methods are applied to help the police solve different crimes. You will begin by investigating and collecting evidence from a 'crime scene' and then undertake various experiments to help you solve the crime.

TUESDAY

GRADE 1 to 6 Artcraft Inspirations Drawing classes O5

Have you ever wanted to draw a Panda, a Diving Frog, or a Peacock? Here is your opportunity to try! Realistic drawing classes with enough structure for success and enough freedom for creative expression. Non competitive learning environment provided. Variety of mediums and papers used with emphasis on improving drawing skills.

GRADE 2 & 3 Put That Pen to Paper and Write!! O6

Sharpen your pencil!! Delve into your imagination!!

Come and join a group of budding "authors" who like you, enjoy the craft of writing. An opportunity for students to develop their writing skills when exposed to a variety of writing styles and genres. The development of expressive language and innovative ideas will be a focus throughout these sessions. Students will compile a mini writing folio during the course, which they will be sure to enjoy sharing with family and friends.
