

TYABB PRIMARY SCHOOL
Mornington Road, Tyabb
Mel Ref: 157 D8

THURSDAYS 4:15-5:30pm
AUGUST 4th, 11th, 18th & 25th
SEPTEMBER 1st

GRADES PREP & 1 Junior Paper Craft 1 T1

All you craft kiddies out there, come and have fun and make some interesting paper creations! We will be using rippled, sparkly, shiny and matt papers to make some exciting paper designs to take home. From pirate puppets to mischievous monsters, this class is designed to inspire the young to start getting creative.

GRADE 3 & 4 Exploring Computers T2

This is a chance for students from grade 3 and 4 to build a computer system, learn trouble shooting and basic fixes to computer problems. In this course students will have the opportunity to take a system apart manually and put it back together again to learn about computer components. Students will learn about operating systems through physical exploration of computer hardware. A fantastic hands-on experience for any students interested in how computers work. (Maximum 14 students.)

This program will not operate in the week of August 11th. Instead it will recommence on August 18th and continue for an extra week -the 8th September.

GRADE 3 & 4 Beady designs T3

Do you like patterns? Do you like to design and create unique treasures? In this program students will learn to use threading, patterns and select seed, bugle or pearl beads to design a jewellery set. Students will also have the opportunity to use beads and their developing design skills to decorate a special shaped cushion. As an important part of this program is choosing beads and making patterns it is important that all students bring **a small named plastic container** for storing beads between lessons. (Maximum of 14 students)

GRADES 4 to 6 Chess Champions T4

For all those students who enjoy chess or would like to learn about chess this is for you. We will play games, learn from one another and develop our strategic thinking skills. Come along and enjoy the thrill of battling to out think and out play your opponent!!!

GRADE 5 Special Occasions T5

Learn how to use a variety of craft skills to make unique cards for every occasion. This **program is for students who enjoy creating mini masterpieces to give to special family and friends.** Students will use stamping, quilling, collage, origami, pop ups and stencilling to make a collection of cards to take home. Please bring your pencil case including scissors, glue stick, grey lead pencil, eraser, coloured pencils and textas. All other materials supplied.

GRADE 5 & 6 The Amazing Race T6

Teams will gather clues and perform tasks, overcome detours and roadblocks to navigate around the world of Tyabb Primary School. Mapping, comprehension and planning skills will be in focus. Teams will use information to arrive at their final pitstop each week. Everyone is a winner, but the aim is to have the highest point score by the fifth week of exploring. Teams will be groups of three organized by the program tutor.
